

This worksheet is intended as a convenient location to record your measurements. It does not contain detailed instructions on how to measure for blinds. Please refer to the various Measuring Guides on the Blind Barn web site. Remember, The Blind Barn and the respective manufacturers are not responsible for incorrect measurements. Measure carefully, write everything down.

Print additional copies of this worksheet to record measurements of more than three windows.

Window

Window Location

<u>Width Measurement</u>		Check the Size to Order*	<u>Height Measurement</u>		Check the Size to Order*
Top Width Measurement	_____	<input type="checkbox"/>	Left Height Measurement	_____	<input type="checkbox"/>
Center Width Measurement	_____	<input type="checkbox"/>	Center Height Measurement	_____	<input type="checkbox"/>
Bottom Width Measurement	_____	<input type="checkbox"/>	Right Height Measurement	_____	<input type="checkbox"/>
